SLEEPING IN A CAPSULE

In Japan there are some hotels with very small rooms - or capsules. Each capsule is 1m x 1m x 2m! In the 'room' there is a bed, a television, a light and a mirror. There isn't a door and there aren't any chairs or tables. Each capsule has a mirror but there isn't a bathroom or toilet. You share a bathroom with the other guests. There aren't any cupboards in the capsules but there are some cupboards with keys in the hotel reception.
