6. Read the letter and write T for True or F for False.

Dear Mary,

I'm writing to you from my new flat in the city. I'm living with my sister now. The flat is great and it's very modern. It's got large windows, a big balcony and two bedrooms. Unfortunately, I'm sleeping in the smaller room, but the view is better. The neighbourhood is really safe, and the underground stops right in front of our block of flats. You won't believe how easy it is to get around. In the city centre, there are many great shops, restaurants, theatres and museums! I love living here. The only bad thing is that sometimes it's noisy. Last night, the traffic was very bad and I couldn't sleep. Anyway, come and visit me some time. Maybe this weekend? We'll spend the day in the city centre, and I promise we'll have a great time!

Write back soon,

Lisa

1. Lisa shares her room with her sister.
2. The underground station is far away from her flat.
3. Lisa enjoys spending time in the centre.
4. It's difficult to sleep at night because of the traffic.
