Hola Scarborough!

My name is Henry Masterton. I moved to Spain in 1986. I live in a place called Belchite with my wife María-Luisa and our six children.

I was born in Scarborough in 1963 and I lived in Station Road with my parents, my brother, and my two sisters. I went to Newby Primary School and Scalby Secondary School and I played football for Scalby.

I have lots of photos of Scarborough and I always read the online version of the Scarborough daily newspaper in the evening – I like to see what's happening there. My parents still live in Scarborough and I usually visit them once a year. I'd like to receive e-mails from anyone in Scarborough who remembers me and perhaps we can meet the next time I come to England.

Does anyone know where Dean and Martin Rushing are now? They lived opposite my family and we went to school together. I'd really like to see them again.

All the best

Henry
