Changing lifestyles

Maggie, age 35

‘I got skin cancer last year. It was very frightening. I’m better now, but I realised I needed to change my lifestyle. You see, I loved the sun. Every holiday, I went abroad and spent too long in the sun. I didn’t wear sunscreen. I didn’t visit the sights like the other tourists. I wasn’t interested. I just spent my time at the beach. When I go on holiday now, I spend more time at museums and art galleries. It’s safer and more interesting.’

Vincenzo, age 31

‘I was a doctor and I loved my job. But I did too much work. And that’s unhealthy. I had no time for my family or friends. I wasn’t getting enough sleep and I wasn’t doing enough exercise. I felt irritable and stressed. I needed to slow down and change my lifestyle. So I decided to work four days a week, not seven! Now I spend much more time with my children. I sleep better and I do more sport. I have slowed down and I feel happier.’
