**2. Read what Janey and Silvio write about their parents. Are the sentences true (T) or false (F)?**

My parents are great. They are very fair and they always discuss things with us. Dad worries about his little girls but Mum likes to give us enough freedom to learn from our mistakes. The only rule is that I must tell them where I’m going and who I am with. I think my parents have got it right: they are interested in us but they don’t want to control us.

Janey 16

My parents were too careful – they worried about me and my two brothers all the time. Our parents both had terrible childhoods so they wanted ours to be perfect. Every minute of our lives was spent doing expensive things – we never got time to be kids just playing on our bikes in the street. What they don’t understand is that we didn’t want our childhood to be perfect – we wanted it to be normal. We were spoilt and I don’t think they taught us the value of working for things. I learned that when I left home and started to spend my own money!
